

GRACE CHURCH OF FORT WALTON BEACH

PUPPET CONCERT

**ENJOY A WILD AFTERNOON OF
ROCK, RAP, COUNTRY & SALSA MUSIC WITH FUN SKITS
THEY WILL HAVE YOU LAUGHING, SINGING
AND DANCING IN THE STREETS!**

Our vision is to reach across the entire Emerald Coast for Jesus Christ. Through the use of lively puppets, an expanded puppet stage, high energy Christ centered music, concert lighting, strobes, blacklights, smoke, multimedia TVs with scrolling words. We use ALL of this for the purpose of drawing people to hear the gospel message. It is entertaining, hysterical, engaging, and upbeat for all. This concert captures the attention of children and adults of every age.

THANK YOU FOR BECOMING A MEMBER OF THE FIRE IGNITERS' NETWORK

THANK YOU FOR YOUR INTEREST IN OUR POWER KIDS PUPPET CREW!

Our ministry would like to assist you in fulfilling the great commission within your part of the world. You can schedule the location and date for a Friday or Saturday night outreach and we will show up to do one of our concerts! The place should have lots of kids that have been greatly tugging on your heart. We can set up within the church or on the church grounds but ultimately the goal is to get noticed in the heart of your community at a local park or other venue in the evening where many of the kids go. Our mission together is to throw a great net over that region and catch as many lives that we can for Jesus and grow your church! After the concert your assignment is to reach out to these individuals and start developing relationships because people need love, discipleship and prayer.

Our ministry cannot do this mission without your support! Our ministry is small but packs a big punch. In order for us to pull off the fun and exciting things that we do behind the stage, we need the help of your church by assisting in where everything is happening in front of the stage... the people! The next section outlines exactly what we will need to support the concert to make everything work orderly, effectively and smoothly.

This very generation is living in the very last days before Jesus comes back. We must as the Body of Christ rise up, work together and reach our community for Jesus. (Psalm 133:1-3) We are so excited to partner with you in reaching your city for Jesus. Thank you for making an eternal difference!

Give me a call today.

Tim Woodrum

850-376-5472

UPDATE: I have the Liza Jackson pavilion booked for the 20th of June and the 4th of July in front of the dog park for the entire day. This is a great day to bring in the harvest, make yourself known to the entire community and make an eternal difference. Let's get together soon to organize this!

CONCERT SUPPORT

Each of these positions are needful and require very little training. The show time for the workers is 1 hour before the concert begins unless extra puppet training is required. Each area has its own task sheet detailing its responsibility. We will review these and provide these sheets out to all of your assigned people.

- **FLYER DISTRIBUTION (6 to 10 people)**

- How will they know unless you go? Romans 10:14-15. The flier distribution can begin at any time. We will provide you with digital flyers, small posters and large posters having your church information on it in a PDF format that you can print and distribute. To get things started we will prepare for you 10 packets of 50 flyers. The best way to reach your community is to map out the area of every home within a one mile radius and I can help you do this. People will go out 2 by 2, one person tapes and the other sticks the flyer to the door. Share Jesus as you go! The posters are great for stores, laundromats, restaurants and even schools. **Please be sure to spread the news of sharing the fliers on social media!**

- **SECURITY & USHERING (4 to 6 people)**

- Two security personnel will be positioned at the front and two in the back keeping an eye on things and assisting people. **REMEMBER OUR CONCERTS ARE BEST AFTER DARK** so it is needful to be sober and vigilant. A yellow vest will be given to the security personnel to help people quickly identify them. We also have plastic fencing and border tape when needed..

- **PRE-CONCERT SETUP & TEAR DOWN (2 people)**

- At a designated time, we will be setting things up and we may need help in taking it all down. We need to move tables, set up tents to give the kids the best experience.

- **REGISTRATION TABLE (4 TO 8 PEOPLE) (Optional)**

- Up to five smaller prizes can be given at the beginning and the 2 grand prizes can be at the end. Kids can register for the prizes as they enter and they will receive a numbered ticket which we will provide. On this table please be sure to share church bulletins, flyers, bibles, tracts, etc. Please notify me if you will be doing any grand prizes (like bikes) and this will be added to the flyers. We can provide 2 tents but **please bring your own chairs and tables as needed.**

- **CONCESSION TABLE OR TENT (2 people) (Optional)**

- We are expecting a lot of people! Turn this event into a fundraiser by giving away some things and charging for others! The concession stand will be open before the concert and during the intermission. The stand will close during the concert and any ministry time. Selling snow cones, popcorn, candy or anything that lifts up Jesus is wholly permitted!

- **PRAYER TENT OR AREA (2 to 4 people)**

- The prayer tent will be manned by ministers chosen by the Fire Igniters Network and the church. **The prayer tent will be open during the duration of outreach and be promoted.**

- **BACKSTAGE CREW - (2 kids ages 12 to 16 yrs old)**

- We have a need for kids to help us with different activities behind the stage including puppets as called upon. Extra training in puppetry may be required if there is a lack of my staffing on my part. If so we will set a 45 minute training time earlier in the day.

SPOTLIGHT PERSON (1 person)

CONCERT AGENDA

The concert will begin exactly at 6:00 PM and will conclude around 7:30 PM

The total service is prerecorded - Ministry time may possibly extend the concert
